DEAR SIR/MADAM

## RE:CHINGA BOYS HIGH SCHOOL ANNUAL MATHEMATICS CONTEST-2025

We are glad to invite your school to participate in our annual mathematics contest to be held on **Sunday 8<sup>th</sup> JUNE 2025** starting from 8:00am.

The contest aims to popularize mathematics and give students exposure to the subject that not only impacts their grades but also shapes their future careers.

The exams will be set in line with the new KNEC testing format and will be marked using the conveyer belt system as applied in KNEC.

We shall require **six (6) students from form 4, four (4) students from form 3 and two (2) students from form 2**, to form a set of twelve (12) students to sit for a written exam. A school can present as many sets as possible. A fee of **three thousand shillings only (Kshs 3 000)** will be levied per set.

Each school is expected to provide one teacher per set to help in marking. The schools will be divided into four categories: National, Extra County, County and Sub-County for fair distribution of prizes.

Please confirm your participation early to facilitate preparation through Mr. Kimani 0727488677 or Mr. Muchiri 0722438329

Thanks in advance as we look forward to your coming

Yours faithfully,

Mr. Kimani PM  
HEAD OF DEPARTMENT
